

# Alder Centre NHS Mechanical and Electrical Installation

Client  
Main Contractor

Location  
Liverpool

Project Value  
£150,000

Sector  
Health Care

**This project in partnership with the Alder Centre, based at Liverpool's Alder Hey Children's hospital, was a delicate one based on the nature of the building.**

Senate were appointed to carry out mechanical and electrical installations on:

- Full sanitary ware installation
- Domestic hot and cold services
- Above ground drainage
- Underfloor heating system
- Ventilation system
- Fire alarm
- Intruder alarm
- General power and lighting installation
